Cobb County Athletic Registration Instructions

Returning players' athletic clearance from 2019-2020 has expired. A **NEW** registration for 2020-2021 is required for returning and new players. The process remains the same as last year, but you can use this e-mail for your reference.

In the past, Walton has provided a "Physical Day" on campus in April. Due to the current circumstances, players are encouraged to have one done on their own. NOTE: the physical must have taken place as of April 1, 2020; all physicals dated before April 1, 2020 will not be approved.

The Online Athletic Registration for 2021 (2020-21 school year) is currently open for everyone to start a new registration. You will use the Online Athletic Registration to complete all of the required consents, insurance, and medical information. The necessary forms that will need to be uploaded are:

- Physical Examination Form and Medical Eligibility **Form**
- Sudden Cardiac Arrest Awareness **Form**

To access the Online Athletic Registration, log into your ParentVUE account (or create a new one) on the Parent's menu on the Cobb County School District home page at: **www.cobbk12.org**. If you have any difficulty in setting up or accessing your ParentVUE account, please contact the ParentVUE coordinator at Walton, Melissa Schrenk in the Guidance Office at: **mailto:Melissa.schrenk@cobbk12.org**.

A NEW registration is required for each school year (you may not simply edit the one from last year). Click the Student Registration link, in the upper right corner of the screen, to begin an athletic registration for your 8th-12th grade student. When uploading the signed physical documents, please make sure to upload <u>both</u> the Physical Examination Form and the Medical Eligibility Form.
